Mark & Pam Fisher have been entertaining in central Illinois for years - Pam was a featured performer on The Illinois Country Opry and other family shows (as Pam Gilbert), and later appeared on the Grand Ole Opry; *Mark Fisher* was vocalist, bassist and music director for the Nashville Sound Country Opry Show.

We have performed Southern Gospel Music exclusively since 2003, and recently released our first compact disc. We are available for Saturday services or Sunday evenings within reasonable driving distance of Springfield, or other times and days by special arrangement (we are committed to our home church on Sunday mornings). *We prefer to come on a free-will offering basis. If that is not practical for your event or venue, let us know.* For more information please contact us! We bring our own professional sound system and accompaniment tracks. All we need are a roof and electricity!

Attention: Pastors, music directors, concert promoters, special event planners or coordinators, please email or call for more information. We'd welcome the opportunity to come share our love of Southern Gospel music with you!

Mark & Pam Fisher

Today's Southern Gospel

Southern Gospel?

Undeniably!

Professionally Presented?

Absolutely!

Inspirational?

Positively!

High-energy?

Definitely!

Affordable?

Certainly!

Christ-centered?

Without a doubt!

We present our ministry dedicated to sharing Jesus, one song at a time, thru high-energy performances of Southern Gospel style music.

We are available for church services, concerts, tent revivals, and other special events.
